Interactive Math Journals | RUNDE'S ROOM

Because of my split grade, I end up keeping about half of my students every year. For this reason, I came up with many new ideas for my math journal. I've also had quite a few requests for different lesson / journal ideas for different concepts. So, this summer I worked on a "second edition" to my Interactive Math Journal - an add-on pack.

Interactive Math Journal F.A.Q.s | RUNDE'S ROOM

In fact, some teachers don't grade math journals at all, using them only as a record of students' progress and thinking. If students know you are regularly reading their math journals and you care about what they wrote, you won't have to assign a grade to get them to give their full effort.

I created the first set of interactive math journals for second grade, but made it for this time of the school year. I wanted to get it going right away as teachers are experimenting with math rotations during this last few weeks of the school year. It is the perfect time to shake things up and pour in some excitement through a new format.

Second Grade Math Journal - Tunstall's Teaching Tidbits

Even third graders are old enough to be held accountable and to take responsibility for their learning. I do not believe that kids were made to sit in seats. They need to get up and move around. Differentiated instruction is a must. I use guided reading and guided math groups to meet the individual needs of my students.
