Overview. 50 Masterpieces you have to read before you die is the book that everyone should read to understand themselves and each other. The authors and works for this book were selected, as a result of numerous studies, analysis of the texts over the past 100 years and the demand for readers. It must be read in order to understand the world around us, its history, to recognize the heroes, to understand the winged expressions and jokes that come from these literary works.
