While this DIY is performed on an F30 328i which is equipped with an 8HP45 with a plastic oil pan, the overall procedure is going to be very similar across all 8HP transmissions for a basic drain and fill service. I recommend changing the fluid on this transmission at least every 50K miles.

How To Service The ZF 8HP Transmission On A BMW F30
Automatic transmission 8HP45/70 The pilot option has been put in production in the 2008 year and after short running in on BMW of the 7th ZF8HP series began to be installed widely on cars with the maximum torque of 450 nanometers for petrol motors (8HP45) and up to 700 Nanometers at 8HP70 for BMW diesel engines.

Transmission repair manuals ZF8HP45 / ZF8HP70 / ZF8HP55A ...
The 8HP45 is 287.60. They are different pans but the same fluid so that makes the difference there. Typical from the dealer is between \$35.20 and \$43.95 per quart and \$210.00 for the pan on the 8HP45. Regards, Brian BND Automotive LLC.driving: 440-821-9040 www.bndautomotive.com

8 speed transmission fluid replacement..... | Charger ...
It is designated 8HP45 or 8HP90 when made by ZF, the Chrysler version of 8HP45 is called 845RE. The 845RE name shows 8 speeds, "45 x 10" Nm of capacity, rear wheel drive intent, and fully electronic controls. It can be, and will be, used with 4x4 and AWD setups.

8-Speed Automatic Transmission Diagnosis and Repair
Ensures transmission longevity when replaced at regular service intervals Captures contaminants and protects transmission from standard to extreme operation Oil Pan and Filter for Chrysler/ZF 845RE, 8HP45, 780RE, 8HP70 and 8HP90 Transmissions (confirm by inputting year / make / model) From the discrimination listed below!

8HP70 Service | DODGE RAM FORUM - Dodge Truck Forums
For the 8-speed automatic transmission, ZF set out to design and develop an entirely new gear set concept. The result is a revolution in transmission design: a transmission concept with 4 gearsets which requires only 5 shift elements - of which only two are open in any given gear.

8-Speed Automatic Transmission - ZF
"Here is the estimate for the transmission service. It is a fluid and filter exchange with new gaskets and hardware. It is \$1345.00 to perform the transmission service. Again, I did speak with a technician and he does not recommend performing this service as the new fluid will act as a detergent and may cause damage to the internal gears."

FYI, Cost of replacing the ZF 8HP fluid and the 3 ...
Complete service kit for BMW's with GABHP45Z GABHP70Z 8 speed automatic transmissions featuring all ZF parts and fluids You are driving around on a ticking time bomb if you have not serviced your BMW's automatic transmission. While BMW advertises lifetime fills the reality is there is no such thing as a lifetime fill in anything.

In fact the service kit comes with a new pan and bolts, so it's much more than just draining the fluid and refilling it. Certain parts are replaced. Again, I can't imagine this being necessary at 25000 miles. I wish I could find the earlier version of this that talks more specifically about the 8HP45. Here's something I did find:
