A BASIC GUIDE TO INTERPRETING THE BIBLE

A Basic Guide to Interpreting the Bible is a great introduction to scriptural hermeneutics. Without using too much technical language, Stein is able to present important information to the reader. He makes using the book for study more accessible by including a glossary, an index, and a list of scriptural references.

Book Review: A Basic Guide to Interpreting the Bible

Stein introduces hermeneutic as to explain or interpret, gives a brief overview of the components of communication (author, text, reader) and then launches into what he calls the "game parts" (6).
