A Choice of Enemies - Wikipedia

The choice that we face is not whether we will have enemies—anyone who takes sides will have enemies from the other. The choice that we face is whether we will stand with God or with His enemies. It is a fallacy to think that we can somehow trim our message and soften our stance enough to avoid facing opposition.

The preface and last chapter of Lawrence Freedman's A Choice of Enemies expresses this same double standard of how the U.S. explains itself in association with whatever action it takes on a given issue. Freedman's "amero-centric" viewpoint (with apologies to all the other citizens of the Americas not living in the U.S.) is clearly expressed in the preface and last chapter of the book.
