4.0 out of 5 stars A Hero for Christmas.  
Reviewed in the United States on  
January 2, 2013. This is the first book  
I've read from Cheryl and I really  
enjoyed it. There are four short stories in  
it that give you a good taste of her  
writing style. I've not been reading a lot  
of historical books lately but this was a  
very nice change.

This poem was inspired by a true gentleman hero, whom I was very privileged to know as my father-in-law. He passed away at the age of ninety-two in March 2012. Despite having seen the atrocities of war, he had a fondness for the good in all people and would never condemn people for their actions. He worked hard for most of his life, was active and always had a smile.

She reminded me a lot of myself at that age, except I dearly envied her chutzpah. She enjoyed vocabulary words and loved to draw, and was different than the run-of-the-mill kids.
