Download A History of Reading –Alberto Manguel ebook. This study of the history of reading goes from the earliest examples of the clay tablets and cuneiform of ancient Mesopotamia and Egypt via the invention of printing in the 15th century to the birth of a mass reading public and today's digital revolution. It argues that it is the demands and expectations of the reader, acting alongside the creative will of the writer, that is the evolutionary motor of literary forms and genres.

A History of Reading by Alberto Manguel - Goodreads

Argentine writer Alberto Manguel's book is a history in the loosest sense; more free-wheeling, personal, and impressionistic essay than linear history, which isn't a bad thing, but it does lack focus. Still, it's full of great anecdotes and quotations, spans the globe and the centuries, and is handsomely illustrated.
