answering questions appropriately. This is a difficult skill as it requires the child to understand what is being asked, process the question, form an answer, and speak that answer.

Questions Resource Page - Speech And Language Kids

In course planning, include notes about when you will pause to ask and answer questions. Asking questions throughout the class will not only make it more interactive, but will also help you measure and improve student learning. Do not wait until the last two minutes of class to ask for questions. Students are unlikely to ask questions when they know that only a few minutes remain. For more information see *Increasing Student Participation and Teaching with Lectures*. Ask open-ended questions.
