Building Trust In Business, Politics, Relationships, and Life Robert C. Solomon and Fernando Flores. In Building Trust, Robert C. Solomon and Fernando Flores argue that trust is not something that simply exists from the beginning, something we can assume or take for granted; that it is not a static quality or "social glue." Instead, they assert that trust is an emotional skill, an active and dynamic part of our lives that we build and sustain with our promises and commitments, our emotions ...
