The Cheadle branch line was a railway line of just under 4 miles (6.4 km) in length that served the town of Cheadle, Staffordshire.It was in operation as a passenger line from 1892 to 1963, and closed altogether in 1986. It took 46 years from conception to completion and was notable in that part of the line had to be practically rebuilt partway through its existence.

Cheadle branch line - Wikipedia

The old railway branch-line between Cheadle-Totmonslow-Cresswell is now managed by Moorlands & City Railways, who lease the trackway from Network Rail. They had hoped to restore a rail service on it, but that hope has disappeared; and so they decided in 2013 to open it up for public access, and now a lot of dog-walkers use it.
