process works.

Church Religion And Society In

The development of Christianity's influence on the character of society since the Reformation has been twofold. In the realm of state churches and territorial churches, Christianity contributed to the preservation of the status quo of society. In England the Anglican church remained an ally of the throne, as did the Protestant churches of the German states.

Christianity - Church and society | Britannica

Religion and Church in society We live in an era notable for its syncretism and confusion between Orthodoxy and other religions. Ecclesiastical problems multiply and the Church becomes secularised. Christianity has been reduced to a religion.

A society which does not acknowledge its obligation to render account to this God and this Christ may call itself church but it is difficult to attach specific meaning to the term. Without the sense of moral dependence upon or of obligation to Christ a society lacks the moral reality of the Church.

The Responsibility of the Church for Society - Religion Online

In the sociology of religion, the most widely used classification is the church-sect typology. The typology states that churches, ecclesia, denominations and sects form a continuum with decreasing influence on society. Sects are break-away groups from more mainstream religions and tend to be in tension with society.
