Clay & Pottery Tools - Art Supplies, Crafts & Framing

Artist Deborah G. Rogers is a great example of someone using both air dry and paper clay to create playful sculptures. Rogers is a self-taught artist living in Norfolk, Virginia. She was first introduced to air dry clay in school. After working as a children's book illustrator, she had the desire to work in 3-D, leading her back to air dry clay.

The Pros and Cons of Working with Air Dry Clay - The Art ...

Unlike modeling clay or arts and craft clay, sculpting clay is meant to create sophisticated works of art and requires baking so it can set and retain its shape. That said, sculpting clay is intended for one-time use; once you bake it, it's already solid as a stone; this process can't be reversed.
