Tim Winton is a fantastic writer and is revered in his native Australia. He has written several books and I look forward to reading them. The characters were well-defined and reminded me of the down-to-earth people in John Steinbeck stories. I liked the humor that was prevalent and appropriate to the story.

On reading Cloudstreet, you could be forgiven for thinking that it was pretty unfilmable, following a house and two families over several decades, and with some magic realism-type touches. The reading of belonging in Cloudstreet is one of the more apparent and dominant readings. We as human beings have an innate need to belong, which makes the reading all the more prominent for the reader. For Winton to put such a focus on belonging in his book, he must have struggled with belonging sometime during his own life.
