Consciousness: Confessions of a Romantic Reductionist (The ...

Consciousness: Conversations of a Romantic Reductionist, is wonderfully quirky, blending hard science and memoir. Calling himself a reductionist (and a "romantic" one at that), Koch tackles the question in terms of physics by trying to isolate the part of the brain responsible for consciousness in human beings.

Consciousness: Confessions of a Romantic Reduction ...

An intense collaboration between Koch and Francis Crick during the 1990s and 2000s brought consciousness to the limelight of the neuroscience community. *Consciousness: Confessions of a Romantic Reductionist* is a tale of two stories that, like the two strands in Crick and Watson's double helix, intertwine and complement each other.

Consciousness: Confessions of a Romantic Reductionist

As with any book on a topic as contentious as consciousness, this one is not without its detractors. Indeed, upon its initial release several years ago the book attracted a fair amount of interest, motivated in part by a critical review by the philosopher, John Searle, that appeared in the *New York Review of Books*. [Unfortunately, Searle's original review is partially hidden behind a ...

SFI Community Lecture - Christof Koch

This engaging book—part scientific overview, part memoir, part futurist speculation—describes Koch's search for an empirical explanation for consciousness. Koch recounts not only the birth of the modern science of consciousness but also the subterranean motivation for his quest—his instinctual (if "romantic") belief that life is meaningful.

Consciousness: Confessions of a Romantic Reductionist ...

Consciousness and reality are related through the "measurement problem" in quantum mechanics, i.e., why we do not consciously perceive particles as quantum superpositions of multiple possibilities, as they appear to be when unobserved, but rather perceive them consciously as being in definite states or locations. Quantum pioneers Niels Bohr, John von Neumann, Eugene Wigner, and Henry Stapp ...
