interesting genres, and all of them are completely free. One of the best features of this site is that not all of the books listed here are classic or creative commons books. ManyBooks is in transition at the time of this writing. A beta test version of the site is available that features a serviceable search capability. Readers can also find books by browsing genres, popular selections, author, and editor's choice. Plus, ManyBooks has put together collections of books that are an interesting way to explore topics in a more organized way.

Perfect for small gardens, the SimpliTrim Li is Flymo's first integrated battery grass trimmer. With a cutting width of 23cm, it makes light work of trimming the edges of your garden. Weighing only 1.7kg the SimpliTrim Li also uses grass blades which is more durable and environmentally friendly in comparison to standard trimmer line.

Flymo Push Lawnmowers for sale | In Stock | eBay

Flymo aren't just known for their hover mowers, they actually do a fine range of conventional 'wheeled' lawnmowers of which the Easimo is the smallest. If you don't plan on using your lawn mower particularly often and you don't need to worry about achieving impeccable borders, the Easimo is a great option for a small garden.
