### Creating Capabilities The Human Development

“In her new book, *Creating Capabilities*, the philosopher and legal scholar Martha Nussbaum argues that we need to refocus our ideas about development on the scale of individuals: on concrete human lives and the way they actually unfold. Quantitative measures like per capita GDP, she writes, are poor measures of development; they can't capture the shape and texture of individual lives, even though individual lives are what matter.

### Creating Capabilities: The Human Development Approach ...

## File Type PDF Creating Capabilities The Human Development Approach

Martha Nussbaum's *Creating Capabilities* is a powerful statement on ways in which societies can promote justice through encouraging the development of certain capacities that are essential to what it means to be a human being. Nussbaum gives a list of what she calls the "Central Capabilities," capabilities without which people cannot flourish in a decent society and which would make for necessary conditions for the society to be called just.

### **Creating Capabilities: The Human Development Approach ...**

The Capabilities Approach to human progress has until now been expounded only in specialized works. *Creating Capabilities*, however, affords anyone interested in issues of human development a wonderfully lucid account of the structure and practical implications of an alternate model. It demonstrates a path to justice for both humans and nonhumans, weighs its relevance against other philosophical stances, and reveals the value of its universal guidelines even as it acknowledges cultural ...

### **Creating Capabilities — Martha C. Nussbaum | Harvard ...**

First published in 2011 and now being reissued as a paperback, *Creating Capabilities: The Human Development Approach* is the product of this prolific American philosopher's attempt to propose a qualitative rather than quantitative metrics for defining key parameters of "quality of life."

## **Creating Capabilities: The Human Development Approach**

Description This is a primer on the "Capabilities Approach," Nussbaum's innovative model for assessing human progress. She argues that much humanitarian policy today violates basic human values; instead, she offers a unique means of redirecting government and development policy toward helping each of us lead a full and creative life.

## **Creating capabilities : : the human development approach**

International agencies used to measure the quality of life in a nation simply by looking at GDP per capita. Recently that approach has been challenged by an ...

## **Martha Nussbaum, "Creating Capabilities: The Human ...**

Admirably, *Creating Capabilities* delivers what it sets out to do and serves very well as a first theoretical introduction to the capabilities approach. Nussbaum describes the capabilities approach as a new theoretical paradigm in the development and policy world, which poses the questions: "What are people actually able to do and to be?"

## **Creating Capabilities: The Human Development Approach ...**

Today there is a new theoretical paradigm in the development world. Known as the "Human Development" paradigm, and also as the "capability approach" or "capabilities approach," it begins with a very simple question: What are people actually able to do and to be?
