This guide is intended to help newer coaches set up and play their Dark Elves teams, though hopefully more experienced coaches can find a few pointers here as well. Please note that I'm only covering tactics versus the 8 (plus 2 as DLC) teams currently in Blood Bowl II, simply because I'm can't be bothered.

Please find some pictures and a step-by-step guide below for High Elf Spearmen. As usual there is no assumption on my part that I am a "good" painter! This is just (roughly) what I did to get the effect below, which I reckon is "Tabletop Quality". Note: The process described below is not exact, I recommend painting up a test model first.
