Welcome - Finance Solutions

American Financial Solutions is dedicated to providing credit and debt counseling and financial education to consumers to help them make sound financial decisions and find debt solutions to improve their financial futures. One of the debt solutions available to our clients is participation in a debt management plan, which unlike a debt consolidation loan, works with a client's current creditors, creating a plan of action to repay those debts under the best terms possible.

A debt settlement strategy can actually be a great solution to avoid bankruptcy if you are in the right financial situation and it is done correctly. However, it is not a one size fits all solution. Many people can get out of debt by just managing their money better or using tools like a balance transfer credit card to reduce their interest.
