I would want to write if I were going to write a book like this for parents. First of all, the author, Debbie Reber, hostess with the mostess of the popular podcast, "TILT Parenting," opens by telling you her family's story.

Book Review of DIFFERENTLY WIRED by Deborah Reber ...

We are all wired differently. Some differences are more visible than others. Each kid needs different tools to thrive in life and we can help them figure out what they need for their individual journey. When parents and children communicate their needs and explain their differences to others, people are more understanding and accepting.

Differently Wired

Renowned author and investor William Thorndike says the goal of an investor should be to invest in companies with great CEOs early, because that often translates into great stock performance in the long run. Thorndike is the founder of Housatonic Partners, a private equity firm in Boston, and currently serves as its Managing Partner.
