In July 2015 a revolutionary paper suggesting evidence for hitherto unknown chambers within KV 62 with a possible hidden burial of Queen Nefertiti was published. High-definition photographic scans of KV 62 by Arte Factum revealed traces of two possible doorways to such hitherto undiscovered chambers. Hence, the doorway could lead to the true burial chamber of KV 62, while the burial chamber of Tutankhamun would be in fact a modified well-chamber due to his sudden death .
