Discussion boards have been a staple of online courses for decades. But Carolyn Speer, manager of instructional design and access at Wichita State University, thinks many instructors default to using them incorrectly. Instructors often kick off a discussion board assignment by asking each student to respond to an assigned reading.

Description Discussion prompts are the written “springboard” from which online discussions are launched and are essential to encourage shared understanding (Du, Zhang, Olinzock, & Adams, 2008). Discussion prompts can vary from pithy (e.g., “Discuss [Topic X]”) to verbose (e.g., an entire printed page of instructions).
