Economic Problems of Socialism in the USSR

Comrade Yaroshenko replies: "The chief problem of the Political Economy of Socialism, therefore, is not to investigate the relations of production of the members of socialist society , it is to elaborate and develop a scientific theory of the organization of the productive forces in social production, a theory of the planning of economic development."

Economic Problems of Socialism

Ideally, socialism aims at a more harmonious society. However, if the socialist policies are geared towards strengthening trade unions and aiming for perfect equality, it can lead to antagonistic labour relations with a 'them and us' mentality – workers against owners. This attitude can cause time lost to strikes and unproductive factories.

Pros and cons of socialism - Economics Help

Capitalism is true economic democracy. Socialism addresses the contemporary issues of economic inequality and argues that wealth can exist for long periods only to the extent that wealthy producers succeed in satisfying the consumers. Mises shows that there is no tendency to monopoly in a free market system.
