Essential Oils Desk Reference This book arrived in the condition expected and packed very well. It has more information than I personally need, but is a very good reference text. However, I find it biased toward Young Living Essential Oils and other Master Cleanses. If you take out the "Young Living" references, the basis information is very sound.

Essential oils desk reference is a book for anyone interested in these oils, and can easily learn about them. You will be very pleased that you have added this book to your library. This book earned 5 stars and I highly recommend it for all who are searching for homeopathic solutions.

Essential Oils Desk Reference: 9780943685496: Medicine ...
In both format and content, the new 4th edition of the Essential Oils Desk Reference has been transformed into the most professional volume of its kind ever published. Most noticeable, of course, is the fact that the book is now printed in color. But beyond the new color format, there are many other revisions and expansions to the book:
