In *Everyday Politics*, Harry Boyte transcends partisan politics to offer an alternative. He demonstrates how community-rooted activities reconnect citizens to engaged, responsible public life, and not just on election day but throughout the year. Boyte demonstrates that this type of activism has a

This article offers an historical account of the changing scope and politics of everyday life. In contrast to recent discussions that have made the everyday appear the product of Western Europe after World War II, it traces the longer history of the everyday and the different politics of modernity which it has inspired.
