Provence is French thyme's region of origin and it is the variety most often used in French cooking. French thyme is also called summer thyme and it offers a flavor that is noticeably subtler than that of English thyme. It has the same mint and clove notes as English thyme but less of them and the sweetness of those notes are at the forefront.

Mediterranean cuisine is the foods and methods of preparation by people of the Mediterranean Basin. The idea of a Mediterranean cuisine originates with the cookery writer Elizabeth David's book, A Book of Mediterranean Food (1950) and was amplified by other writers working in English. Many writers define the three core elements of the cuisine as the olive, wheat, and the grape, yielding olive ...
