Honda

The Honda Insight (Japanese: インサイト, Honda Insighto) is a hybrid electric vehicle that was manufactured and marketed by Honda in its first generation as a two-door, two passenger liftback (1999-2006) and in its second generation as a four-door, five passenger liftback (2009-2014). In its third generation, it became a four-door sedan (2019-present).

Honda Insight - Wikipedia

Simply put, if all you care about is power and performance in a straight line, the Accord is the car for you. Despite being a hybrid, it still churns out a respectable 212 horsepower with both power trains being harnessed. Conventional versions of the Accord are still being sold by Honda, but the introduction of the hybrid model puts it in direct competition with the Insight in terms of sales.
