See a Sample Human Resources Manager Job Description

Free will, in humans, the power or capacity to choose among alternatives or to act in certain situations independently of natural, social, or divine restraints. Free will is denied by some proponents of determinism. Arguments for free will are based on the subjective experience of freedom, on sentiments of guilt, on revealed religion, and on the universal supposition of responsibility for personal actions that underlies the concepts of law, reward, punishment, and incentive (for additional ...
