The Importance of Keeping a Global Perspective - Small ...

Anti-global rhetoric has played a big role in recent elections around the world. Dynamic world powers are looking inward. However, despite the rise of anti-global thinking, the truth remains: the world is more globalized than ever before. It's up to us to understand this rich international exchange and rapid flow of information, culture and goods, rather than fear it.

The growing importance of a global perspective

The mission of the Office of Global Perspectives and International Initiatives (GPII) is to sharpen the university's international focus. Since 2001, when UCF President John C. Hitt established the office, we have been connecting the campus and Central Florida community to global cultures, ideas and information - boosting UCF's international profile and creating opportunities for ...
