These are 6 hire purchase questions (some straight forward hire purchase calculations and other higher order thinking questions where the monthly payments or number of months is asked for). I used these as different stations and gave the class a time limit at each station (about 5 minutes worked well for my S2 class, with a minute transition time).

Hire Purchase | Teaching Resources

1. Has a cost-benefit analysis been completed to justify the purchase? The first thing you will need to do is identify your needs and set your goals. Ask yourself how the equipment purchase will fit with your future growth and production targets? Hiring a consultant to help you at this stage may be a worthwhile investment. 2.
