relevant as ever.

Starting with the origins of humankind and authoritatively guiding readers to the present day, this is a superb account of a vast story, tenaciously placing Africa's peoples at its centre. - Dr Wayne Dooling, SOAS, University of London, UK The standard textbook on the subject.

Shillington's "History of Africa" serves its purpose; namely, an introduction and historical survey of the history of Africa from ancient to modern time. The historical accuracy of the text - especially concerning the time before the bronze age - is seriously dubious, and moot at best.
