Holden Commodore Vb V8 1978

The Holden Commodore is a mid-size car that was produced by the Australian manufacturer Holden, from 1978 to 1980. It was the first iteration of the first generation of the Holden Commodore. The car was officially launched on 26 October 1978 with showrooms receiving the first examples on 13 November 1978. Production of the VB only lasted seventeen months, the shortest reign of any Commodore. The VB Commodore was effectively the successor of the Holden HZ, although most models in that series cont

Holden Commodore (VB) - Wikipedia

1978 VB Holden Commodore. VB Commodore. The VB Commodore's release represented the latest world concept in vehicle downsizing at the time, replacing the then popular Holden HZ range. There was global "oil" shortage at the time and GM-H stole the market place with this more fuel efficient, compact design. This was the first Commodore of the highly successfully Holden Commodore range and is the grand-daddy of them all.
