alternative to the four cylinder CB350F and CB400F. The CB360 was a new design. The 356 cc engine was tuned for broad range torque, and drove the rear wheel through a six-speed gearbox.

Honda CB360 - Wikipedia

This bike is a 1975 Honda CL 360 Scrambler. It is in excellent running condition with electric start. It is also in very good physical condition considering it is 40 years old but there is some damage to the front fender. I have the original Honda owner's manual that came with the motorcycle. The odometer only has a little over 7000 miles on it.
