LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

Honda ST1100 Pan European V

The Honda ST series, also known as the Pan-European in Europe, is a duo of Sport Touring motorcycles comprising the ST1100 and the later ST1300. Following the launch of the Gold Wing, which was very successful in the US, Honda's marketing team perceived that the European market (hence the "Pan European" moniker) would appreciate a lighter, sportier, and more manoeuvrable motorcycle.
