Ogawa (*The Housekeeper and the Professor*) explores the power of words to allure and destroy in this haiku-like fable of love contorted into obsession. One rainy evening, Mari, a downtrodden 17-year-old who helps her demanding mother run a seedy seaside hotel, overhears a middle-aged male guest ordering an offended prostitute to be silent.

seaside hotel on the coast of Japan, quiet seventeen-year-old Mari works the front desk as her mother tends to the off-season customers. When one night they are forced to expel a middle-aged man and a prostitute from their room, Mari finds herself drawn to the man's voice, in what will become the first gesture of a single long seduction.

No one would argue that Ogawa crafts gorgeous, spare prose, but, oh this story ... Working in her family's seaside Hotel Iris, 17-year-old Mari hears the nameless Translator before she sees him.

### **Fiction review: 'Hotel Iris,' by Yoko Ogawa**

A young Japanese hostess becomes the object of a dangerous man's obsession. Minimalist Ogawa (The Housekeeper and the Professor, 2009, etc.) trades the eccentric relationships of her debut novel for a much darker affair in her latest plumbing of human experience. In an overgrown inn in a sedate seaside town, 17-year-old Mari tries to keep the peace between the customers and her abrasive mother.

In fact, Hotel Iris, with its seventeen-year-old narrator Mari, is more akin to the graphic young-women (written by young women, and about young women) fiction that was popular in Japan recently -- works such as Snakes and Earrings and Innocent World--, despite the fact that Ogawa was already a considerably more mature author when she wrote this (though only published in English in 2010, it came out in Japan in 1996).

Yoko Ogawa's prose is pristine: clear, unpretentious, elegantly simple with no excess fat. If there is one translator involved in Hotel Iris who deserves praise, it is Stephen Snyder. It is to his credit that we are able to enjoy Ogawa's style.

Yōko Ogawa pare a avea o predilecție pentru personajele bolnave sau cu infirmități, pentru că în Hotel Iris întâlnim o oarbă (clienta hotelului) și un mut (nepotul traducătorului), iar în celelalte cărți am găsit un olog și un profesor cu probleme de memorie.
