Basics: In-Text Citation
In-text references must be included following the use of a quote or paraphrase taken from another piece of work. In-text citations are citations within the main body of the text and refer to a direct quote or paraphrase. They correspond to a reference in the main reference list.

How to Cite Sources in APA Citation

Read Free How To Cite A Word Document In Mla **Format - Mendeley**

When using APA format, follow the author-date method of in-text citation. This means that the author's last name and the year of publication for the source should appear in the text, like, for example, (Jones, 1998). One complete reference for each source should appear in the reference list at the end of the paper.
