The collections also include classic literature and books that are obsolete.

### How To Speak Money What

How to Speak Money is a good primer for finding out more about the world of finance in general. The alphabetic glossary style structure of this book was not initially attractive to me as a way to learn about a subject, but Lanchester's writing is engaging enough to pull it off. Another great popular economics book in an increasingly crowded field.

To speak loudly: use your diaphragm--the muscle right below your rib cage--and project your voice to the back of the room you are speaking in. In other words, speak from your gut. To speak clearly: enunciate every syllable, and remember to hit the consonants at the end of each word. Tongue twisters make great practice.
