Project Gutenberg is a charity endeavor, sustained through volunteers and fundraisers, that aims to collect and provide as many high-quality ebooks as possible. Most of its library consists of public domain titles, but it has other stuff too if you're willing to look around.

How To Stay Sane The

3. Have a sense of humor. It is easy to get dragged down in a sense of negativity, but laughing away accidents and misfortune is one of the best ways to stay sharp and sane. Humor can 're-set' negative events in a positive light, removing the stress and worry while finding the upside of the situation.

4 Ways to Stay Sane - wikiHow

A concise, simple book that applies actual psychological research not to hyperbolic promises of being the best you or being happy, but just to staying sane. Topics addressed include benefits of mindfulness, awareness of cognitive biases, and the virtues of autonomy, pursuing competence, and feeling a sense of belonging with others.
