10 Ways to Keep an Audience Hanging on Your Every Word

Don't talk at your audience the whole time. Take pauses, scan the "room" and weave opportunities for interaction throughout. This could be through scheduled Q&A time, live polls, where audience responses are used to frame and personalize further discussions, or live demos/activities, which people can reenact from their homes.

How to Win Over Your Audience With a Virtual Event

The fact that you opened with silence and then start with a sentence that grabs the audience's attention compels people to listen immediately. Tell your story only to individuals, keeping soft eye contact with each for 5 - 10 seconds, before moving on. Avoid sweeping eye contact with the entire audience, but looking at no one in particular.
