A brilliant international business
textbook - it covers such topic areas as
economic theories, government policies,
business strategies, organizational
structures, etc. - all the usual stuff you'd
expect to find in any business text.... but
what Hill does is that he seems to go a
little further than all of his
contemporaries.... he challenges not
only their explanations, but debunks
them as impracticable, worthless and
infantile [in some cases]... it's an
amusing spectacle when you consider
