This means the U.S. policies against Iran are making the latter more rather than less dependent on its unconventional alliance network in the region and beyond. The only way to break this escalatory cycle is for the United States to ease up on the pressure and let negotiations get off the ground in the hope that both adversaries will find more sustainable solutions to their longstanding hostility.

The start of U.S.-Iranian détente during the reformist presidency of Khatami (elected 1997 and 2001) facilitated a reorientation of Iran's policy in the immediate aftermath of 9/11, though from the Iranian point of view it was the United States, rather than Iran, that changed. The U.S. decision to respond to 9/11 by trying to destroy al ...
