Lean Thinking Banish Waste And

In the revised and updated edition of Lean Thinking: Banish Waste and Create Wealth in Your Corporation, authors James P. Womack and Daniel T. Jones provide a thoughtful expansion upon their value-based business system based on the Toyota model. Along the way they update their action plan in light of new research and the increasing globalization of manufacturing, and they revisit some of their key case studies (most of which still derive, however, from the automotive, aerospace, and other ...
