Feeling exhausted after guided reading? Are you working tirelessly while your students aren't even breaking a sweat? Do you ever wonder if other teachers feel the same way you do about guided reading—that it's not working the way you think it should? You are not alone. There seems to be much confusion surrounding guided reading—the term even means something different from school to school.

Miss Guided has 799 books on Goodreads, and is currently reading 1984 by George Orwell, Turn Coat by Jim Butcher, and Aztec Rage by Gary Jennings

## **Miss Guided - Mount Vernon, WA (799 books)**

I love this quote. "Guided reading is not about teaching 'little books.' It is not about prompting for strategies or about leveling texts or students. It is first and foremost about developing in students reading processes that are efficient, or what Clay refers to as 'a smoothly operating reading system.'" I'll be honest here.

Try reading your textbooks more like you would read a newspaper or magazine. Start by skimming through a section, reading the subject headings and any definitions that appear in boldface print. Study the pictures and figures carefully -- these are chosen to illustrate and highlight the essential points of the text.

Thanks for taking time to post a review on Glassdoor about your time at Missguided. Our recent Colleague Voice Survey and listening groups also highlighted personal development and senior leader communication as an area we need to enhance.

### **Missguided Reviews | Glassdoor.co.uk**

The take home message for me after reading this review paper is that the learning styles approach is a way too simplified conceptualization of human cognition paired with misguided recommendations. For me this adds to the reasons not to use them to inform education.

### **Learning Styles: A Misguided Attempt to Highlight ...**

I am glad I kept reading this series, it definitely gets better as it goes. This is a case of first book syndrome to the extreme. Book 5 doesn't even slightly resemble book 1. So if you want to read this series, don't judge it by the first book. It gets so much better

Missguided is one of the UK's most popular online fashion retailers. From its start in 2009, Missguided has quickly grown into a \$200+ million e-commerce giant, selling trendy clothing and shoes to fashion-conscious millennials. The Problem Like for every online fashion retailer, email is one of Missguided's most important communication channels. From letting [...]
