The Mitsubishi Galant is an automobile which was produced by Japanese manufacturer Mitsubishi from 1969 to 2012. The model name was derived from the French word galant, meaning "chivalrous". There have been nine distinct generations with total cumulative sales exceeding five million units. It began as a compact sedan, but over the course of its life evolved into a mid-size car.

Info. For many car parts, such as engines and cylinder heads, it is important that you specify the correct motor code on your request. The engine code is usually stamped somewhere into the engine block. The first 4 or 5 letters / numbers usually provide enough technical information for a car parts supplier to find the right engine related car part for you.
