### PA-4100 - Nakamichi

I am surprised there isn't more mention of Nakamichi amps. I have been using two of the PA-1002s for the past year in my car. One running a 2ohm paralel load for the highs, and the other for the subs. They have played rock solid ever since they were installed. They provide the kind of clean, high end sound you would expect from a Nakamichi car ...
