### **Nazi And The Psychiatrist**

(nb: I received an Advanced Review Copy of this title from the publisher via NetGalley) Jack El-Hai's latest book, "The Nazi and the Psychiatrist," tells one of the lesser-known stories of post-World War 2: the psychological analysis of the infamous Nuremberg Trial defendants. It is a fascinating journey. The book follows Dr. Douglas M. Kelley, a celebrated Army psychiatrist.

The Nazi and the Psychiatrist has yet to be published, but follows the relationship between American psychiatrist Dr. Douglas M. Kelley and Hermann Goering, one of Hitler's closest associates. It is the first account to access Kelley's notes from the period during the Nuremberg Trial, wherein Kelley gained regular access to top Nazi prisoners (including Goering).

### 'The Nazi and the Psychiatrist' Coming to a Theater Near You

For the first time in history, psychiatrists during the Nazi era sought to systematically exterminate their patients. However, little has been published from this dark period analyzing what may be learned for clinical and research psychiatry. At each stage in the murderous process lay a series of unethical and heinous practices, with many psychiatrists demonstrating a profound commitment to ...

This is a list of notable Nazi medical doctors (physicians).. When the Nazi government came to power it purged Germany of its 6,000 to 7,000 Jewish doctors. Reportedly more than 7% of all German physicians became members of the Nazi party during World War II, a far higher percentage than the general population. In 1942 more than 38,000 German doctors, half the total number of doctors, had ...
