Northern Lights by Philip Pullman. Mattie Gokey has a word for everything. She collects words, stores them up as a way of fending off the hard truths of her life, the truths that she can't write down in stories. The fresh pain of her mother's death. The burden of raising her sisters while her father struggles over his brokeback farm.

In this, the first of three reviews, I will examine Northern Lights. Jessica explores her childhood favourite, the first of Philip Pullman's 'His Dark Materials' trilogy. Initial Impressions. The original cover of Northern Lights immediately captures the reader's attention, from the "alethiometer" on the front to the icy blue landscape behind it. The title and image draw the eye, with the author name sitting at the top, slightly out of the way so as not to detract from the overall cover.
