What does Slavoj Zizek mean when he talks about ideology ...

Žižek's understanding of political belief is modelled on Lacan's understanding of transference in psychoanalysis. The belief or "supposition" of the analysand in psychoanalysis is that the Other (his analyst) knows the meaning of his symptoms. This is obviously a false belief, at the start of the analytic process.

Slavoj Zizek The credentials of those who, even prior to its release, virulently criticize Mel Gibson's new film on the last 12 hours of Christ's life, seem impeccable: are they not fully justified in their worry that the film, made by a fanatic Catholic traditionalist with occasional anti-Semitic outbursts, may ignite anti-Semitic sentiments?

Passion In The Era of Decaffeinated Belief - Iacan

Zizek is a master at diagnosing the contemporary game for what it is: synthetic, gnostic, and without meaning (Nietzsche wins?!). Yet, he does so in a way that provides, perhaps theoretically, some sort of intellectual resources for how to go beyond our dual fascination with all things material and, paradoxically, immaterial.
