David Bohm on Creativity - Mindstructures

In *Science, Order and Creativity*, David Bohm and F. David Peat argue that science has lost its way in recent years and needs to go beyond a narrow and fragmented view of nature and embrace a wider holistic view that restores the importance of creativity and communication for all humanity - not just scientists.

Science, Order and Creativity by David Bohm

Science, Order, and Creativity is a book by theoretical physicist David Bohm and physicist and writer F. David Peat. It was originally published 1987 by Bantam Books, USA, then 1989 in Great Britain by Routledge. The second edition, published in 2000 after Bohm's death, comprises a new foreword by Peat as well as an additional introductory
