Option and stock investing involves risk and is not suitable for all investors. Only invest money you can afford to lose in stocks and options. Past performance does not guarantee future results. The trade entry and exit prices represent the price of the security at the time the recommendation was made.

## Option Trading

### Wendy Kirkland

I started options selling in Feb 2013 by just "dipping my toe in," with a \$5,000 account, selling only 1-3 contracts per position. I did this, instead of my rigorous backtest process, because 1) it is hard to backtest options strategies, 2) in talking to @ron99, I knew he was the real deal (and that his method properly applied would work) and 3) fills are
