Performing Tourist Places By J Rgen Ole B Renholdt

This chapter investigates how tourist places are produced through policies, industries, and by building facilities. It aims to question the theoretical assumptions in policy discourses. In the discourse of tourist policies and tourism management, tourist places are normally treated as 'destinations'.

This book sets out to explore 'dark tourism'; that is, the representation of inhuman acts, and how these are interpreted for visitors at a number of places throughout the world, for example the sites of concentration camps in both Western and Eastern Europe. Many people wish to experience the reality behind the media images, or are prompted to find out more by a personal association with ...

Dark Tourism - J. John Lennon, Malcolm Foley - Google Books

A range of examples will be used to exemplify the ways in which tourism is staged and performed. I will also focus on how the global proliferation of tourist practices and attractions acts to theme tourist space in highly commodified ways and simultaneously decentre normative modes of performing tourism.
